В. Часто задаваемые вопросы

Здесь собраны ответы на вопросы о *перечне покрываемых препаратов*. Вы можете изучить раздел целиком или найти ответ на интересующий вас вопрос.

В1. Какие рецептурные препараты включены в *перечень покрываемых препаратов*? (Для удобства мы будем называть *перечень покрываемых препаратов* «перечнем препаратов».)

Препараты, указанные в *перечне покрываемых препаратов*, который начинается на странице 1, — это препараты, которые оплачивает план L.A. Care Medicare Plus. Их отпускают аптеки нашей сети. Аптека входит в нашу сеть, если мы заключили с ней соглашение о сотрудничестве и предоставлении услуг участникам плана. Мы называем такие аптеки «сетевыми». План L.A. Care Medicare Plus оплачивает рецептурные препараты, которые входят в перечень покрываемых препаратов. Другие препараты, например, безрецептурные лекарственные препараты или определенные витамины, возможно, оплачивает программа Medi-Cal Rx. Подробнее об этом можно узнать на веб-сайте программы Medi-Cal Rx (www.medi-calrx.dhcs.ca.gov). Также вы можете позвонить в центр обслуживания клиентов программы Medi-Cal Rx по телефону 800-977-2273. При получении рецептурных препаратов по программе Medi-Cal Rx необходимо предъявлять идентификационную карточку застрахованного лица (Beneficiary Identification Card, BIC) программы Medi-Cal.

- План L.A. Care Medicare Plus оплачивает все необходимые по медицинским показаниям препараты из перечня, если:
 - врач или другое назначающее лицо считает, что они необходимы для лечения или сохранения здоровья;
 - план L.A. Care Medicare Plus согласен с тем, что данный препарат необходим вам по медицинским показаниям; **и**
 - вы получаете рецептурные препараты в сетевой аптеке плана L.A. Care Medicare Plus.
- В некоторых случаях вам придется предпринять некоторые действия, прежде чем вы сможете получить препарат. Более подробную информацию см. в ответе на вопрос В4.

Вы можете ознакомиться с актуальным перечнем покрываемых препаратов на веб-сайте medicare.lacare.org или свериться с ним, позвонив в отдел обслуживания участников по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни.

В2. Меняется ли перечень препаратов?

Да, причем изменения, которые вносит план L.A. Care Medicare Plus, должны соответствовать правилам Medicare и Medi-Cal. В течение года мы можем добавлять лекарственные средства в перечень препаратов и удалять их из него.

Кроме того, мы можем вносить изменения в правила лекарственного обеспечения, например:

По всем вопросам обращайтесь в план L.A. Care Medicare Plus по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Звонок бесплатный. **Дополнительную информацию** можно получить на веб-сайте medicare.lacare.org.

- Вводить и отменять предварительное разрешение для получения препарата. (Предварительное разрешение — это разрешение на получение препарата, которое выдает L.A. Care Medicare Plus.)
- Добавлять и изменять количество препарата, которое вы можете получить (так называемое «количественное ограничение»).
- Добавлять и изменять ограничения, распространяющиеся на пошаговую терапию определенным препаратом. («Пошаговая терапия» означает, что вы должны попробовать принимать один препарат, прежде чем мы оплатим другой.)

Более подробную информацию о данных правилах лекарственного обеспечения см. в ответе на вопрос В4.

Если вы принимаете препарат, который входил в перечень покрываемых **в начале** года, мы, как правило, не отменяем и не изменяем покрытие такого препарата **до конца года**, за исключением следующих случаев:

- в продаже появился новый более дешевый препарат, не менее эффективный, чем средство из перечня препаратов; **или**
- появилась информация о том, что препарат небезопасен; **или**
- препарат снят с продажи.

Более подробную информацию о том, что происходит при изменении перечня препаратов, см. в ответах на вопросы В3 и В6.

- Вы можете ознакомиться с актуальным перечнем препаратов L.A. Care Medicare Plus на веб-сайте medicare.lacare.org.
- Вы также можете позвонить в отдел обслуживания участников по телефону 1-833-522-3767 (TTY: 711) и свериться с актуальным перечнем покрываемых препаратов по телефону. Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни.

В3. Что происходит в случае изменения перечня препаратов?

Некоторые изменения вносятся в перечень препаратов **немедленно**. Например:

- **Появился новый непатентованный препарат.** Иногда в продаже появляется новый непатентованный препарат, не менее эффективный, чем патентованное средство из перечня препаратов. В этом случае мы можем удалить патентованный препарат и добавить новый непатентованный, однако ваши расходы на новый препарат останутся в пределах \$0 – \$10,35. Когда мы добавляем в перечень новый непатентованный препарат, мы также можем сохранить в нем патентованный, изменив правила или ограничения его покрытия.
 - Мы можем не сообщать вам о таких изменениях заранее, но известим вас, как только они будут внесены.
 - Кроме того, вы или ваш поставщик услуг можете подать запрос о предоставлении исключения из данных правил. В уведомлении будет указано, как это сделать. Более подробную информацию об исключениях см. в ответах на вопросы В10 – В12.

По всем вопросам обращайтесь в план L.A. Care Medicare Plus по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Звонок бесплатный. **Дополнительную информацию** можно получить на веб-сайте medicare.lacare.org.

- **Препарат снят с продажи.** Если Управление по санитарному надзору за качеством пищевых продуктов и медикаментов (Food and Drug Administration, FDA) объявит, что принимаемый вами препарат небезопасен или производитель снимет его с продажи, мы немедленно удалим его из перечня препаратов. Если вы принимаете этот препарат, вы получите уведомление. После этого вам нужно будет обратиться к врачу и подобрать безопасную замену.

Мы можем вносить и другие изменения, способные повлиять на принимаемые вами препараты. Мы заранее сообщим вам о таких изменениях. Они будут внесены, если:

- FDA представит новые методические рекомендации по применению препарата или появятся новые клинические рекомендации.
- Мы добавим непатентованный препарат, не являющийся новым препаратом на рынке, **и**
- заменим патентованный препарат, входящий в настоящий момент в перечень препаратов; **или**
- изменим правила и ограничения, действующие в отношении покрытия патентованного препарата.

Мы сообщим вам о внесении данных изменений:

- не позднее чем за 30 дней до изменения перечня препаратов; **или**
- предоставив 30-дневный запас препарата, когда вы будете повторно получать его по рецепту.

У вас будет достаточно времени, чтобы проконсультироваться с врачом или назначающим лицом и узнать:

- есть ли в перечне препаратов похожий препарат, который вы можете принимать вместо ранее назначенного; или
- нужно ли подавать запрос о предоставлении исключения из данных правил. Более подробную информацию об исключениях см. в ответах на вопросы B10 – B12.

B4. Существуют ли ограничения в страховом покрытии препаратов? И нужно ли предпринимать какие-либо действия для получения определенных препаратов?

Да, на некоторые препараты распространяются правила или ограничения страхового покрытия, определяющие, какое количество препарата можно получить. В некоторых случаях вам, вашему врачу или назначающему лицу придется предпринять определенные действия, прежде чем вы сможете получить препарат. Например:

- **Предварительное разрешение.** Для получения некоторых рецептурных препаратов вам, вашему врачу или назначающему лицу придется получить предварительное разрешение плана L.A. Care Medicare Plus. Предварительное разрешение — это не направление. Без предварительного разрешения L.A. Care Medicare Plus может не оплатить расходы на препарат.
- **Количественные ограничения.** В некоторых случаях L.A. Care Medicare Plus ограничивает количество препарата, которое вы можете получить.

По всем вопросам обращайтесь в план L.A. Care Medicare Plus по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Звонок бесплатный. **Дополнительную информацию** можно получить на веб-сайте medicare.lacare.org.

- **Пошаговая терапия.** В некоторых случаях пошаговая терапия является обязательным условием плана L.A. Care Medicare Plus. Это означает, что вам придется принимать препараты для лечения своего заболевания в определенном порядке. Другими словами, вы попробуете принимать один препарат, прежде чем мы оплатим другой. Если врач сочтет, что первый препарат вам не подходит, мы оплатим второй препарат.
- **Страховое покрытие по медицинским показаниям.** Если L.A. Care Medicare Plus оплачивает препарат только при его использовании для лечения определенных заболеваний, эта информация будет четко отражена в перечне покрываемых препаратов.

Чтобы узнать, распространяются ли на ваш препарат какие-либо дополнительные требования или ограничения, см. таблицы, начиная со стр. xii. Вы также можете получить дополнительную информацию на нашем веб-сайте medicare.lacare.org. Там можно найти документы, которые разъясняют наши ограничения, касающиеся предварительного разрешения и пошаговой терапии. Мы можем отправить их вам по запросу.

Кроме того, вы можете подать запрос о предоставлении исключения из данных правил. У вас будет достаточно времени, чтобы проконсультироваться с врачом или назначающим лицом и узнать, есть ли в перечне препаратов подходящий аналог, на который вы можете перейти, и нужно ли подавать запрос о предоставлении исключения. Более подробную информацию об исключениях см. в ответах на вопросы B10 – B12.

B5. Как узнать, наложены ли на интересующий меня препарат ограничения и что необходимо предпринять, чтобы его получить?

В таблице «Перечень лекарственных препаратов по заболеваниям» на стр. 1 есть столбец под названием «Необходимые действия и ограничения на применение».

B6. Что произойдет, если план L.A. Care Medicare Plus внесет изменения в правила лекарственного обеспечения (например, касающиеся предварительного разрешения, количественных ограничений и (или) ограничений на получение пошаговой терапии)?

В некоторых случаях мы будем заранее сообщать вам о внесении или изменении правил предварительного разрешения, количественного ограничения и (или) пошаговой терапии. Более подробную информацию о предварительном уведомлении и ситуациях, в которых мы не сможем заблаговременно сообщить об изменении наших правил лекарственного обеспечения, см. в ответе на вопрос B3.

B7. Как найти лекарственное средство в перечне препаратов?

Двумя способами:

- по алфавиту **или**
- по заболеванию.

По всем вопросам обращайтесь в план L.A. Care Medicare Plus по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Звонок бесплатный. **Дополнительную информацию** можно получить на веб-сайте medicare.lacare.org.

Чтобы найти препарат **по алфавиту**, перейдите в раздел «Алфавитный указатель покрываемых препаратов». Он находится в конце перечня препаратов и называется алфавитным, потому что в нем лекарственные препараты перечислены в алфавитном порядке.

Чтобы найти препарат **по заболеванию**, перейдите в раздел «Перечень лекарственных препаратов по заболеваниям» на стр. xiii. Препараты в этом разделе сгруппированы по категориям в зависимости от типа заболеваний, для лечения которых они применяются. Например, если у вас сердечно-сосудистое заболевание, вам следует искать свой препарат в категории «Сердечно-сосудистые средства — разное». Здесь вы найдете лекарственные препараты, применяемые для лечения сердечно-сосудистых заболеваний.

В8. Что делать, если нужное лекарство не входит в перечень препаратов?

Если вы не можете найти свой препарат в перечне, позвоните в отдел обслуживания участников по телефону 1-833-522-3767 (TTY: 711) и спросите о нем. Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Если вы узнаете, что L.A. Care Medicare Plus не оплачивает препарат, вы можете предпринять следующее:

- попросить в *отделе обслуживания участников* список аналогов нужного вам препарата, показать список врачу или назначающему лицу, и вам назначат средство из перечня препаратов, похожее на необходимый вам препарат; **или**
- обратиться в план L.A. Care Medicare Plus с просьбой предоставить вам исключение и оплатить ваш препарат. Более подробную информацию об исключениях см. в ответах на вопросы B10 – B12.

В9. Что делать, если я являюсь новым участником L.A. Care Medicare Plus и не могу найти нужное лекарственное средство в перечне препаратов или у меня возникли проблемы с его получением?

Мы вам поможем. Мы оплатим временный (30-дневный) запас препарата в течение первых 90 дней вашего участия в плане L.A. Care Medicare Plus. У вас будет достаточно времени, чтобы проконсультироваться с врачом или назначающим лицом и узнать, есть ли в перечне препаратов подходящий аналог, на который вы можете перейти, и нужно ли подавать запрос о предоставлении исключения.

Если в рецепте указан запас лекарственного препарата на меньший срок, мы позволим несколько раз пополнять запас препарата в течение указанного 30-дневного периода.

Мы оплатим 30-дневный запас вашего препарата, если:

- вы принимаете препарат, который не входит в наш перечень лекарственных препаратов; **или**
- правила плана не позволяют вам получить нужное количество препарата, выписанное назначающим лицом; **или**
- для получения лекарственного препарата необходимо предварительное разрешение L.A. Care Medicare Plus; **или**

По всем вопросам обращайтесь в план L.A. Care Medicare Plus по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Звонок бесплатный. **Дополнительную информацию** можно получить на веб-сайте medicare.lacare.org.

- вы принимаете препарат, на который распространяется ограничение в отношении пошаговой терапии.

Если вы принимаете препарат, который план L.A. Care Medicare Plus не относит к части D программы Medicare, вы вправе получить разовый запас препарата на 72 часа.

Обращайтесь к нам, если вы проживаете в центре сестринского ухода или другом учреждении долгосрочного ухода и вам требуется препарат, который не входит в перечень препаратов, или вы не можете получить необходимое лекарство. Если вы являетесь участником плана более 90 дней, проживаете в учреждении долгосрочного ухода и вам необходимо в кратчайшие сроки получить запас лекарственного препарата:

- Мы однократно оплатим запас препарата на 31 день (или на меньший срок, на который выписан рецепт), независимо от того, являетесь ли вы новым участником L.A. Care Medicare Plus,
- в дополнение к временному запасу в течение первых 90 дней вашего участия в L.A. Care Medicare Plus.

Изменение уровня медицинского обслуживания

Мы предоставим вам запас препаратов на время перехода с одного уровня медицинского обслуживания на другой.

Примеры изменения уровня медицинского обслуживания:

1. Перевод участника из больницы в учреждение долгосрочного ухода.
2. Выписка участника из больницы домой.
3. Завершение пребывания участника в центре сестринского ухода по части A программы Medicare и возвращение к фармакологическому справочнику по части D.
4. Отказ участника от хосписной помощи и возвращение к стандартным льготам по частям A и B программы Medicare.
5. Завершение пребывания участника в учреждении долгосрочного ухода и возвращение к жизни в обществе.
6. Выписка участника из психиатрической больницы с индивидуальной схемой медикаментозного лечения.

Сотрудники аптек могут обращаться в справочную фармацевтического отдела по телефону 1-844-268-9785 для отмены требований в местах продажи, чтобы обеспечить участникам безотлагательное получение лекарственных препаратов.

В10. Можно ли подать запрос о предоставлении исключения из правил лекарственного обеспечения?

Да. Вы можете попросить план L.A. Care Medicare Plus сделать исключение и оплатить препарат, отсутствующий в перечне.

Вы также можете попросить нас изменить правила в отношении вашего лекарственного препарата.

По всем вопросам обращайтесь в план L.A. Care Medicare Plus по телефону 1-833-522-3767 (TTY: 711). Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни. Звонок бесплатный. **Дополнительную информацию** можно получить на веб-сайте medicare.lacare.org.

- Например, план L.A. Care Medicare Plus может ограничить количество покрываемого препарата. Если на ваш препарат распространяется такое ограничение, вы можете попросить нас изменить его и оплатить большее количество препарата.
- Другой пример: вы можете подать запрос об отмене правила пошаговой терапии или требования о получении предварительного разрешения.

В11. Как подать запрос о предоставлении исключения?

Вы можете подать запрос о предоставлении исключения, позвонив в *отдел обслуживания участников*. Сотрудник отдела поможет вам и вашему поставщику медицинских услуг подать запрос о предоставлении исключения. Более подробная информация об исключениях приведена в главе 9 *свидетельства страхового покрытия*.

В12. Сколько времени занимает предоставление исключения?

Мы вынесем решение в течение 72 часов после получения медицинского заключения, подтверждающего ваш запрос о предоставлении исключения. Ваш врач или другое лицо, назначающее препарат, могут отправить нам такое заключение по почте или факсу. Также ваш врач или другое лицо, назначающее препарат, могут проинформировать нас по телефону, а затем выслать заключение по почте или факсу. Вы можете позвонить нам по телефону 1-888-522-3767 (TTY: 711), чтобы получить дополнительную информацию. Звонки принимаются круглосуточно, ежедневно, в том числе в праздничные дни.

Если вы или назначающее лицо считаете, что 72-часовое ожидание решения нанесет вред вашему здоровью, вы можете попросить об ускоренном предоставлении исключения. В таком случае решение будет принято быстрее. Если лицо, назначившее вам лекарственный препарат, направит соответствующее медицинское заключение, мы вынесем решение в течение 24 часов с момента его получения.

В13. Что такое непатентованные препараты?

Непатентованные лекарственные препараты содержат те же действующие вещества, что и патентованные. Как правило, они дешевле патентованных препаратов, а их названия не слишком известны.
