B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions	Answers
What is a Medicare-Medi-Cal Coordination Plan?	<p>A Medicare-Medi-Cal Coordination Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees. It is for people age 65 and older. A Medicare-Medi-Cal Coordination Plan is an organization made up of doctors, hospitals, pharmacies, providers of Managed Long-term Services and Supports (MLTSS), and other providers. It also has care coordinators to help you manage all your providers and services and supports. They all work together to provide the care you need.</p>
Will I get the same Medicare and Medi-Cal benefits in L.A. Care Medicare Plus that I get now?	<p>You will get most of your covered Medicare and Medi-Cal benefits directly from L.A. Care Medicare Plus. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency like In-Home Support Services (IHSS), specialty mental health and substance use disorder services, or regional center services.</p> <p>When you enroll in L.A. Care Medicare Plus, you and your care team will work together to develop an Individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you are taking any Medicare Part D prescription drugs that L.A. Care Medicare Plus does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for L.A. Care Medicare Plus to cover your drug if medically necessary. For more information, call Member Services at the number listed at the bottom of this page.</p>

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://www.medicare.lacare.org).

Frequently Asked Questions	Answers
<p>Can I go to the same doctors I use now?</p>	<p>Often that is the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with L.A. Care Medicare Plus and have a contract with us, you can keep going to them.</p> <ul style="list-style-type: none"> • Providers with an agreement with us are “in-network.” Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. You must use the providers in L.A. Care Medicare Plus’s network. If you use providers or pharmacies that are not in our network, the plan may not pay for these services or drugs. • If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of L.A. Care Medicare Plus’s plan. • If you are currently under treatment with a provider that is out of L.A. Care Medicare Plus’s network, or have an established relationship with a provider that is out of L.A. Care Medicare Plus’s network, call Member Services to check about staying connected and ask for continuity of care. If the doctors that you currently see are not part of L.A. Care Medicare Plus’s network of providers, there is a potential for you to keep your doctor or hospital for a limited period of time, this is called Continuity of Care. <p>To be eligible for Continuity of Care (COC):</p> <ul style="list-style-type: none"> ○ You must have seen the Primary Care Physician (PCP) and/or Specialist at least once during the last 12 months, and have an upcoming appointment with the PCP or Specialist within the next 12 months. ○ Your Provider must be willing to accept the L.A. Care Health Plan rates and contract with the appropriate Medical Group/IPA. ○ The provider does not have any documented quality of care concerns that would cause L.A. Care or PPG to exclude the provider from its network. <p>Each continuity of care request must be completed within:</p> <ul style="list-style-type: none"> ○ Thirty (30) calendar days from the date L.A. Care or PPG receives the request; ○ Fifteen (15) calendar days if the member’s medical condition requires more immediate attention, such as upcoming appointments or other pressing care needs; or ○ Three (3) calendar days if there is risk of harm to the member <p>To find out if your doctors are in the plan’s network, call Member Services at the numbers listed at the bottom of this page or read LA. Care Medicare Plus’s <i>Provider and Pharmacy Directory</i> on the plan’s website at medicare.lacare.org.</p> <p>If L.A. Care Medicare Plus is new for you, we will work with you to develop an Individualized Plan of Care to address your needs.</p>
