B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs*. You can read all the FAQ to learn more or look for a question and answer.

B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the "Drug List" for short.)

The drugs on the *List of Covered Drugs* that starts on page page number are the drugs covered by L.A. Care Medicare Plus. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as "network pharmacies." The prescription drugs included on this List of Covered Drugs are covered by L.A. Care Medicare Plus. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

- L.A. Care Medicare Plus will cover all medically necessary drugs on the Drug List if:
 - your doctor or other prescriber says you need them to get better or stay healthy,
 - L.A. Care Medicare Plus agrees that the drug is medically necessary for you, **and**
 - you fill the prescription at a L.A. Care Medicare Plus network pharmacy.

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit medicare.lacare.org.

- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at [medicare.lacare.org](https://www.medicare.lacare.org) or call Member Services at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays.

B2. Does the Drug List ever change?

Yes, and L.A. Care Medicare Plus must follow Medicare and Medi-Cal rules when making changes. We may add or remove drugs on the Drug List during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from L.A. Care Medicare Plus before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, refer to question B4.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the Drug List changes.

- You can always check L.A. Care Medicare Plus's up-to-date Drug List online at [medicare.lacare.org](https://www.medicare.lacare.org).
- You can also call Member Services at 1-833-522-3767 (TTY: 711) 24 hours a day, 7 days a week, including holidays to check the current Drug List.

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://www.medicare.lacare.org).

B3. What happens when there is a change to the Drug List?

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug, and add the new generic drug, but your cost for the new drug will remain \$0. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
 - You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. If you get one of these letters, please speak with your doctor to find a different drug that is safe for you.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead or
- Whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://www.medicare.lacare.org).

B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases you or your doctor or other prescriber must do something before you can get the drug.

For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from L.A. Care Medicare Plus before you fill your prescription. Prior authorization is different from a referral. L.A. Care Medicare Plus may not cover the drug if you don't get prior authorization.
- **Quantity limits:** Sometimes L.A. Care Medicare Plus limits the amount of a drug you can get.
- **Step therapy:** Sometimes L.A. Care Medicare Plus requires you to do step therapy. This means you will have to try drugs in a certain order for your medical condition. You might have to try one drug before we will cover another drug. If your doctor thinks the first drug doesn't work for you, then we will cover the second.
- **Indication-based coverage:** If L.A. Care Medicare Plus covers a drug only for some medical conditions, we clearly identify it on the Drug List along with the specific medical conditions that are covered.

You can find out if your drug has any additional requirements or limits by looking in the tables beginning on page page number. You can also get more information by visiting our website at medicare.lacare.org. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy.

You can ask for an exception from these limits. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception. Refer to questions B10-B12 for more information about exceptions.

B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?

The table in the List of Drugs by Medical Condition on page page number has a column labeled "Necessary actions, restrictions, or limits on use."

B6. What happens if L.A. Care Medicare Plus changes their rules about how they cover some drugs (for example, prior authorization, quantity limits, and/or step therapy restrictions)?

In some cases, we will tell you in advance if we add or change prior authorization, quantity limits, and/or step therapy restrictions on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the Drug List change.

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit medicare.lacare.org.

B7. How can I find a drug on the Drug List?

There are two ways to find a drug:

- You can search alphabetically, **or**
- You can search by medical condition.

To search **alphabetically**, look for your drug in the Index of Covered Drugs section. You can find it at the end of the drug list. It is called the Index. The drugs are listed in alphabetical order.

To search **by medical condition**, find the section labeled "List of Drugs by Medical Condition" on page number. The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category cardiovascular agents – Misc. That is where you will find drugs that treat heart conditions.

B8. What if the drug I want to take is not on the Drug List?

If you don't find your drug on the Drug List, call Member Services at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays and ask about it. If you learn that L.A. Care Medicare Plus will not cover the drug, you can do one of these things:

- Ask *Member Services* for a list of drugs like the one you want to take. Then show the list to your doctor or other prescriber. They can prescribe a drug on the Drug List that is like the one you want to take. **Or**
- You can ask L.A. Care Medicare Plus to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

B9. What if I am a new L.A. Care Medicare Plus member and can't find my drug on the Drug List or have a problem getting my drug?

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you are a member of L.A. Care Medicare Plus. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the Drug List you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication.

We will cover a 30-day supply of your drug if:

- you are taking a drug that is not on our Drug List, **or**
- our plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by L.A. Care Medicare Plus, **or**
- you are taking a drug that is part of a step therapy restriction

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit medicare.lacare.org.

If you are taking a drug that L.A. Care Medicare Plus does not consider to be a Part D drug, you have the right to get a one-time, 72-hour supply of the drug.

If you are in a nursing home or other long-term care facility and need a drug that is not on the Drug List or if you cannot easily get the drug you need, we can help. If you have been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We will cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new L.A. Care Medicare Plus member.
- This is in addition to the temporary supply during the first 90 days you are a member of L.A. Care Medicare Plus.

Level of Care Changes

We will provide a transition supply of your drugs when you experience a change in level of care.

Examples of level of care changes may include the following:

1. Members who enter long-term care facilities from hospitals
2. Members who are discharged from a hospital to a home
3. Members who end their skilled nursing facility Medicare Part A stay and who need to revert to their Part D plan formulary
4. Members who give up hospice status to revert to standard Medicare Part A and B benefits
5. Members who end a long-term care facility stay and return to the community
6. Members who are discharged from psychiatric hospitals with drug regimens that are highly individualized

Pharmacies may contact the Pharmacy Help Desk at 1-844-268-9785 to process point-of-sale overrides to ensure members receive access to their medications without any delays.

B10. Can I ask for an exception to cover my drug?

Yes. You can ask L.A. Care Medicare Plus to make an exception to cover a drug that is not on the Drug List.

You can also ask us to change the rules on your drug.

- For example, L.A. Care Medicare Plus may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other examples: You can ask us to drop step therapy restrictions or prior authorization requirements.

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://www.medicare.lacare.org).

B11. How can I ask for an exception?

To ask for an exception, call Member Services. A Member Services representative will work with you and your provider to help you ask for an exception. You can also read Chapter 9 of the *Evidence of Coverage* to learn more about exceptions.

B12. How long does it take to get an exception?

After we get a statement from your prescriber supporting your request for an exception, we will give you a decision within 72 hours. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement. You can call us at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays, for more information.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of getting your prescriber's supporting statement.
