## **B. Background Information about L.A. Care Medicare Plus's Network Providers**

### **B1. Key terms**

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Managed Long-term Services and Supports (MLTSS), supplies, prescription drugs, equipment, and other services.
  - The term providers includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes MLTSS providers that you may use as a L.A. Care Medicare Plus member.
  - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a family practitioner, general practitioner or internist who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.

---

**If you have questions**, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://www.medicare.lacare.org).

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- A **Medical Group** is a group of PCPs and specialists created to provide and arrange health care services to you as a L.A. Care Medicare Plus member.
- You may need a **referral** or **prior authorization** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **L.A. Care Medicare Plus** (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, L.A. Care Medicare Plus may not cover the service, item, or drug.
  - Referrals or prior authorization are **not** needed for:
    - emergency care;
    - urgently needed care;
    - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - services from a women's health specialist.
    - Crisis stabilization, including mental health;
    - Preventive health services for all ages, including immunizations;
    - Basic prenatal care; or
    - Communicable disease services, including STI and HIV testing;
    - COVID-19 testing and specified testing-related services.
  - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals and prior authorization is available in Chapter 3 of the *Member Handbook*.

**If you have questions**, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://www.medicare.lacare.org).

- You will also be assigned a **Care Team**. Your **Care Team** may include your doctor, your Care Manager, and/or other health care professionals that you choose. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
  - A **Care Manager** that helps you manage your medical providers and services. A Care Manager is a nurse or health professional who will get to know you and understand your health needs. Your Care Manager works in a team with you, your doctor(s), caregivers, and others involved in your health care. The Care Manager assesses what services you need, makes a care plan with you to identify services you need, coordinates your services, and follows up to see how things are going.
  - Your **Primary Care Provider**
  - **Multipurpose Senior Services Program (MSSP)** to help you find and access support for social and health care management services available to you in the community to help you remain in your own home. The MSSP is based out of your local MSSP sites. The MSSP sites are listed on page 742 of this Directory. (Both the Care Manager and MSSP may work as a part of your Care Team to make sure you get the care you need.)

Your Care Team will also help you find other providers of medical, behavioral health, or Managed Long-term Services and Supports (MLTSS) if you need a specialist or other health care provider. That way, you will get the right provider to help you with your concerns.

## **B2. Wait times for primary care and behavioral health**

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine and preventative care.

## **B3. How to choose a Primary Care Provider (PCP)**

First, you will need to choose a Primary Care Provider (PCP). A specialist is a doctor who provides health care services for a specific disease or part of the body. You may choose a specialist as your PCP if that doctor is listed as a PCP in this provider directory. To change or select your PCP, call Member Services at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. You can choose any PCP in our network who is accepting new members.

**If you have questions**, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](http://medicare.lacare.org).

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out if they are affiliated with your PCP's medical group. You can look in this Directory or ask L.A. Care Medicare Plus Member Services to check if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, L.A. Care Medicare Plus may not cover the service.

To choose a PCP, refer to the list of providers on page page number and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you do not choose a PCP in our network, L.A. Care Medicare Plus will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. Or, visit [medicare.lacare.org](http://medicare.lacare.org).
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays and ask **before** you get the service or care.

#### **B4. Managed Long-term Services and Supports (MLTSS) providers**

As a L.A. Care Medicare Plus member, you will be able to get Managed Long-term Services and Supports (MLTSS) if you need them, such as Community-Based Adult Services (CBAS) and In-Home Supportive Services (IHSS). MLTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need MLTSS, your Care Manager or MSSP can help you and your Care Team determine what options are available to support you in the way you want.

**If you have questions**, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](http://medicare.lacare.org).

## B5. How to access L.A. Care Medicare Plus's network providers

You may need a referral for someone who is not a Primary Care Provider (PCP). There is more information about referrals in Section B1 of this Directory on page page number

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you use providers who are not in L.A. Care Medicare Plus's network and are not affiliated with your PCP's medical group (**without prior authorization**), **you will have to pay the bill.**

A **prior authorization** is an approval from L.A. Care Medicare Plus to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan or your PCP's medical group for other non-emergency services if L.A. Care Medicare Plus gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP.
- You can change your PCP by calling Member Services toll free at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. Or for your convenience, you can also visit our self-service member portal at [members.lacare.org](https://members.lacare.org) to find and select your PCP. Please refer to the registration guide at the bottom of the web page for step-by-step instructions on creating an account.
- If you call before the last day of the month, the change will be effective on the 1st day of the next month. For example, if you call on June 30th the change will become effective on July 1st. Member Services will change your membership record to show the name of your new PCP and tell you when the change to your new PCP will take effect. Member Services will also send you a new membership card that shows the name and phone number of your PCP.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you are using a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- L.A. Care Medicare Plus works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, L.A. Care Medicare Plus can help you. Talk to your care team or care manager for assistance.

---

**If you have questions**, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit [medicare.lacare.org](https://medicare.lacare.org).
