B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions	Answers
What is a Medicare-Medi-Cal Plan?	<p>A Medicare-Medi-Cal Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees. It is for people age 21 and older. A Medicare-Medi-Cal Plan is an organization made up of doctors, hospitals, pharmacies, providers of Managed Long-term Services and Supports (MLTSS), and other providers. It also has care coordinators to help you manage all your providers and services and supports. They all work together to provide the care you need.</p>
Will I get the same Medicare and Medi-Cal benefits in L.A. Care Medicare Plus that I get now?	<p>You will get most of your covered Medicare and Medi-Cal benefits directly from L.A. Care Medicare Plus. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency like In-Home Supportive Services (IHSS), specialty mental health and substance use disorder services, or regional center services.</p> <p>When you enroll in L.A. Care Medicare Plus, you and your care team will work together to develop an Individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you are taking any Medicare Part D prescription drugs that L.A. Care Medicare Plus does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for L.A. Care Medicare Plus to cover your drug if medically necessary. For more information, call Member Services or at the number listed at the bottom of this page.</p>

If you have questions, please call L.A. Care Medicare Plus at 1-833-522-3767 (TTY: 711), 24 hours a day, 7 days a week, including holidays. The call is free. **For more information**, visit medicare.lacare.org.

Frequently Asked Questions	Answers
<p>Can I go to the same doctors I use now?</p>	<p>Often that is the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with L.A. Care Medicare Plus and have a contract with us, you can keep going to them.</p> <ul style="list-style-type: none"> • Providers with an agreement with us are “in-network.” Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. You must use the providers in L.A. Care Medicare Plus’s network. If you use providers or pharmacies that are not in our network, the plan may not pay for these services or drugs. • If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of L.A. Care Medicare Plus’s plan. • If you are currently under treatment with a provider that is out of L.A. Care Medicare Plus’s network, or have an established relationship with a provider that is out of L.A. Care Medicare Plus’s network, call Member Services to check about staying connected and ask for continuity of care. <p>To be eligible for Continuity of Care (COC):</p> <ul style="list-style-type: none"> ○ You must have seen the Primary Care Physician (PCP) and/or Specialist at least once during the last 12 months, and have an upcoming appointment with the PCP or Specialist within the next 12 months. ○ Your Provider must be willing to accept the L.A. Care Health Plan rates and contract with the appropriate Medical Group/IPA. ○ Your provider must not have any documented quality of care concerns that would cause L.A. Care or PPG to exclude the provider from its network. <p>Each continuity of care request must be completed within:</p> <ul style="list-style-type: none"> ○ Thirty (30) calendar days from the date L.A. Care or PPG receives the request; ○ Fifteen (15) calendar days if the member’s medical condition requires more immediate attention, such as upcoming appointments or other pressing care needs; or ○ Three (3) calendar days if there is risk of harm to the member <p>To find out if your doctors are in the plan’s network, call Member Services at the numbers listed at the bottom of this page or read L.A. Care Medicare Plus’s <i>Provider and Pharmacy Directory</i> on the plan’s website at medicare.lacare.org.</p> <p>If L.A. Frequently Asked Questions	Answers
What is a L.A. Care Medicare Plus Care Manager?	A L.A. Care Medicare Plus Care Manager is one main person for you to contact. This person helps to manage all your providers and services and make sure you get what you need.
What are Long-term Services and Supports (LTSS)?	Long-term Services and Supports (LTSS) are help for people who need assistance to do everyday tasks like bathing, toileting, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. In some cases, a county or other agency may administer these services, and your care coordinator or care team will work with that agency.
What is a Multipurpose Senior Services Program (MSSP)?	A MSSP provides on-going care coordination with health care providers beyond what your health plan already provides, and can connect you to other needed community services and resources. This program helps you get services that help you live independently in your home.
What happens if I need a service but no one in L.A. Care Medicare Plus’s network can provide it?	Most services will be provided by our network providers. If you need a service that cannot be provided within our network, L.A. Care Medicare Plus will pay for the cost of an out-of-network provider.
Where is L.A. Care Medicare Plus available?	The service area for this plan includes: Los Angeles County, California. You must live in this area to join the plan.
What is prior authorization?	<p>Prior authorization means an approval from L.A. Care Medicare Plus to seek services outside of our network or to get services not routinely covered by our network before you get the services. L.A. Care Medicare Plus may not cover the service, procedure, item, or drug if you don’t get prior authorization.</p> <p>If you need urgent or emergency care or out-of-area dialysis services, you don’t need to get prior authorization first. L.A. Care Medicare Plus can provide you or your provider with a list of services or procedures that require you to get prior authorization from L.A. Care Medicare Plus before the service is provided. If you have questions about whether prior authorization is required for specific services, procedures, items, or drugs, call Member Services <i>or</i> at the numbers listed at the bottom of this page for help.</p>

Care Medicare Plus can provide you with a list of services that require you to get a referral from your PCP before the service is provided.</p> <p>Refer to the <i>Member Handbook</i> to learn more about when you will need to get a referral from your PCP.</p>

<p>What happens if I lose Medi-Cal eligibility?</p>	<p>If you are within our plan's 3-month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we will not continue to cover Medicaid benefits that are included under the applicable Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility.
